SORT 4 THE CAUSE

Sort-4-the-Cause (S4C) is a local 501(c)(3) non-profit charity dedicated to the cause of putting "smiles" onto the faces of those individuals going through the difficulty of dealing with cancer or other debilitating illness. We are in the planning stages of our annual 2-Man Ranch Sorting Fun'd-raiser (a 2-horse, 10-cow timed event). As in the past, the success of our S4C Event has largely been due to the contributions of our sponsors and private donators who have gone out of their way to lend financial support to this Event.

Every year the money we raise has been donated to the cause of supporting three local charities. This year we are donating to Children's Wishes & Dreams, Wellness House and Heartlinks Hospice & Palliative Care. Please peruse our website for additional insight on us and our organization. We pay out NO administrative fees, so the majority of the money we earn at our Event gets donated directly to our "local" charities.

We hope you will join us with a donation to our Event. You can choose the amount you'd like to contribute to help create some "smiles" on the faces of those that have endured so much.

We look forward to hearing from you and hopefully seeing you at our Event. Our Event is open to all to enjoy! If you have any queries, please contact Pam at (509) 945-7490. We appreciate your consideration of our S4C Event and hope to hear that you will support us in this endeavor.

If you are a business, please go to our full Sponsor Pack for information specifically for businesses and how we will promote you during our Event.

Gratefully,
SORT-4-the-CAUSE DIRECTORS
